New Consultants Bring Decades of Experience in Forensic Accounting and Fraud Investigations

BOSTON--(BUSINESS WIRE)--Jun. 5, 2017-- [Charles River Associates](#) (NASDAQ: CRAI), a worldwide leader in providing [economic, financial, and management consulting services](#), today announced the addition of two veteran forensic accounting and fraud investigation experts. [Peter Resnick](#) will join as a Vice President in the Forensic Services Practice in Boston and [Paul Doxey](#) will join the practice as a Senior Consultant in London.

Mr. Resnick leads high profile engagements in the areas of fraud investigation, business damages, and valuation. Mr. Doxey leads engagements in the areas of accounting, money laundering, fraud, bribery and corruption, and financial crime due diligence. Both are experienced expert witnesses.

"Peter and Paul bring decades of experience in advising clients on forensic accounting, fraud investigations, and financial crime engagements," said CRA's President and Chief Executive Officer [Paul Maleh](#). "The addition of these seasoned professionals in Boston and London will strengthen our fast-growing Forensic Services Practice. They will assist our clients by using their specialized knowledge to independently investigate complex issues of fact, ethics, law and judgment, and in presenting their findings to boards, regulators, and courts of law."

CRA's Forensic Services Practice assists companies in independently responding to allegations of fraud, waste, abuse, misconduct, and non-compliance, delivering deep and timely insights resulting from CRA's commitment to deploying cross-trained teams of experienced forensic professionals.

Forensic Services Practice Leader [Kristofer Swanson](#) added, "We are delighted to welcome Peter and Paul to our team. We appreciate their leadership as we continue to expand our global footprint. Their deep experience and technical expertise will provide additional bench strength for clients who are committed to seeking truth and clarity when allegations arise."

Mr. Resnick, who will lead CRA's national Forensic Accounting Solution, has significant experience in corporate investigations, government initiated investigations, forensic analysis, regulated matters, accounting, valuation, and fraud investigations. He has more than 20 years of experience working with highly regarded law firms throughout the country, large global companies as well as middle-market public and privately held entities. He has worked across a wide range of industries including life sciences, technology, telecommunications, manufacturing, distribution, insurance, and higher education. Mr. Resnick has provided expert testimony and analysis at trials, arbitrations, and mediation proceedings. Further, he regularly serves as a neutral arbitrator in post-acquisition disputes. He holds certifications as a Certified Public Accountant (CPA), Certified in Financial Forensics (CFF), and is a Certified Fraud Examiner (CFE). He received a BBA degree from the University of Massachusetts - Amherst. Prior to joining CRA, Mr. Resnick served as the co-national leader of a nationally recognized financial consulting firm, and as the New England Managing Partner for Grant Thornton, as well as its co-national leader of investigations.

Mr. Doxey will provide international leadership in the U.K. where he specializes in forensic investigations and financial disputes, including testifying on forensic accounting matters as an expert witness, particularly in the financial services sector. For nearly 30 years, he has led large-scale investigations in the U.K., continental Europe, and Asia. He was a partner at Arthur Andersen and was seconded for two years in the Bank of England's Special Investigations Unit and at the UK Financial Services Authority. Mr. Doxey is an Accredited Forensic Accountant (AFA), a Certified Fraud Examiner (CFE), and a Fellow of the Institute of Chartered Accountants in England and Wales (FCA). He received a Diploma in Business Administration from Warwick Business School and an MA degree in Economics from the University of Cambridge Trinity College.
