

Charles River Associates (CRA) Expands Its Finance Practice

October 11, 2023

BOSTON--(BUSINESS WIRE)--Oct. 11, 2023-- [Charles River Associates](#) (NASDAQ: CRAI), a worldwide leader in providing [economic, financial, and management consulting services](#), today announced that [Richard Bergin](#) has joined the company's [Finance Practice](#) as a vice president.

"We are very pleased to welcome Richard to CRA," said CRA President and Chief Executive Officer [Paul Maleh](#). "He is a financial markets expert, particularly in the valuation of investments across a wide range of asset classes. He joins a very talented CRA team that supports clients in legal disputes related to securities, company valuations, bankruptcies, and more."

"Richard has given expert testimony on numerous occasions in US federal and state courts, in foreign litigation, before domestic and international arbitration forums, and in regulatory proceedings in the areas of antitrust and competition, securities, international arbitration, and environmental disputes," said [Mukarram Attari](#), CRA's Co-Practice Leader of Finance. "Moreover, he has led teams in a wide array of economic analyses, the quantification of economic impacts, the assessment of loss causation, and the detection of fraud and market abuse."

Dr. Bergin has assisted clients in a broad range of industries, including energy, chemicals, financial services, sports, life sciences, manufacturing, software, telecommunications, and transportation, among others. He has taught courses at institutions and conferences, including economics, valuation, and finance programs at New York University and Harvard Business School. His doctorate and MBA were awarded with highest distinction from Harvard Business School, which he attended as a Fulbright Scholar. He received a chemical engineering degree from the University of Sydney, which was awarded with the university medal.

About CRA's [Finance Practice](#)

CRA's Finance Practice focuses on providing expert testimony in legal disputes relating to securities trading and markets, company valuations, bankruptcy and solvency, and damages to companies, shareholders, and other interested parties.
