

Charles River Associates (CRA) Expands Life Sciences Expertise in Europe

December 8, 2016

Justus Dehnen Joins As A New Vice President In The Life Sciences Practice

BOSTON--(BUSINESS WIRE)--Dec. 8, 2016-- [Charles River Associates](#) (NASDAQ: CRAI), a worldwide leader in providing [economic, financial, and management consulting services](#), today announced that [Justus Dehnen](#) has joined the firm as a vice president in the Life Sciences Practice based in Munich. Mr. Dehnen specializes in pricing and market access, contracting, and loss of exclusivity (LoE) strategy development projects for national and international Life Science companies.

"Justus Dehnen's expansive background in the European life sciences industry adds depth to CRA's European life sciences offering," said CRA's President and Chief Executive Officer [Paul Maleh](#). "Justus has direct industry experience, as a former CEO of an international operating biotechnology company, as well as an extensive global consulting background on pricing and market access. We look forward to offering his expertise to clients."

Mr. Dehnen has helped life science companies to develop and maintain access, pricing, and reimbursement along the product lifecycle from early pipeline to LoE. His work extends over multiple therapeutic areas for pharma, biotech, and medical device companies. Prior to joining CRA, Mr. Dehnen was a Principal at QuintilesIMS Consulting Group where he was a member of the European Pricing and Market Access leadership team and head of the Munich office. Previously, he served as CEO of Genmedics Biotechnology and was a Senior Manager at Cell Consulting AG. Before that he was a member of the Life Science Practice at Capgemini in Paris.

He holds a Master's degree in Corporate Management and Organisation from the University of Bayreuth and completed post-graduate studies at the University of Bordeaux.

About CRA's [Life Sciences Practice](#)

The Life Sciences Practice works with leading biotech, medical device, and pharmaceutical companies; law firms; regulatory agencies; and national and international industry associations. We provide the analytical expertise and industry experience needed to address the industry's toughest issues. We have a reputation for rigorous and innovative analysis, careful attention to detail, and the ability to work effectively as part of a wider team of advisers.
